For newly admitted student,

When you log into the Yonsei portal with your D.O.B for the first time, you will see the pop-up message to change your password.

★ Please set your new password and re-log in with your new password.

★ New password should be between 9 – 13 characters long.

The screenshot shows the Yonsei University portal login interface. A large red arrow labeled "LOG-IN" points to a white box containing login instructions. The box is divided into two sections: one for newly admitted students and one for continuing students. The newly admitted section specifies an ID of "SAY26*****" and an initial password based on the student's D.O.B (YYMMDD). The continuing students section instructs them to use their existing Yonsei portal account. Below the instructions is a blue "로그인(Login)" button. To the right of the login box is a vertical sidebar with various utility buttons: "아이디 찾기" (Find ID), "임시 비밀번호 발급" (Issue temporary password), "입학전 신입생 비밀번호 초기화(RESET PW)" (Reset password for incoming freshmen), and "RESET PW for SAY/YISS/WAY".
